CISCE 20223

The first international conference on Creative and Innovative Solutions in Civil Engineering (CISCE) is dedicated to bringing together researchers, engineers, academicians, and practitioners to share their scientific thoughts and findings. The conference is an exciting platform that will empower participants with a unique opportunity to connect, exchange creative and thought-provoking ideas, and share practical knowledge on sustainable research. This event will showcase innovative approaches to using materials for various applications in civil engineering, with a strong focus on ensuring sustainability for future generations.

MNIT Jaipur

The Institute was jointly established in 1963 as Malaviya Regional Engineering College Jaipur by the Government of India and the Government of Rajasthan. Subsequently, on 26 June, 2002, the college was given the status of National Institute of Technology. On 15 August 2007, it was recognized as the Institute of National Importance through an Act of Parliament. The Institute is fully funded by the Ministry of Education (Shiksha Mantralaya), Government of India.

Themes

- Sustainable Buildings and Repair Materials
- Innovative Materials for Concrete Production
- Utilization of industrial and agriculture waste in civil engineering
- Sustainable Design and Maintenance of road construction
- Innovative and sustainable materials utilization in pavements
- Innovation in Material processing and characterization
- Steel & Composite Structural Materials
- Smart Materials in civil engineering
- Advances In Nano Materials and Technology
- Improvement of foundation using innovative materials
- Management and treatment of Raw and Waste water
- Advances in Forensic Engineering
- Life Cycle Assessment (LCA) of construction materials
- Rheology, Strength and Durability Assessment of materials
- Municipal and Solid waste utilization/management in civil engineering
- New Trends in Civil Engineering Materials
- Any Other Emerging Trends in Civil Engineering and Materials Science

Publication

All accepted full length papers will be published **IOP Conference Series: Earth and Environmental Science** (Scopus Indexed).

Selected papers will be published in a special issue in **“Journal of Traffic and Transportation Engineering (English Edition)”** Emerging SCI indexed of Elsevier and **“Practice Periodical on Structural Design and Construction”** Emerging SCI indexed of ASCE.

Key Dates

Abstract Submission – May 31, 2023
Full-length paper submission – June 20, 2023
Last date of registration – August 5, 2023
Conference dates – August 11-12, 2023

Registration Fee

Category	Indian	International
Student (UG/PG/Ph.D.)	INR 8500	USD 150
Faculty/ Industry	INR 9000	USD 200
Attendee (Without Paper)	INR 1000	USD 50
Participants (without publication)	INR 2500	USD 100

Call for Sponsorship

Category	Amount
Platinum	INR 100000(+18%GST)
Diamond	INR 75000(+18%GST)
Gold	INR 50000(+18%GST)
Silver	INR 25000(+18%GST)

Sponsorship fee account details

Account Name: REGISTRAR (ICC) MNIT, Jaipur
Name of Bank: ICICI BANK LTD.
Branch: MNIT BRANCH
Account number: 676801081625
IFSC Code: ICIC0006768
Remarks: CISCE2023

Chief Patron & Principal General Chair

Dr. R. K. Tyagi, Chairman, MNIT Jaipur

Patron & Conference Chairman

Dr. Narayana Prasad Padhy, Director, MNIT Jaipur

Co- Patron & Organizing Chairman

Prof. Gunwant Sharma, Dean Research & Consultancy, MNIT Jaipur

Prof. Mahender Choudhary, Professor & Head of Civil Engineering, MNIT Jaipur

Organizing Secretary & Convenor

Dr Arun Gaur, +91-9549654180
Secretary, Associate Professor, Civil Engineering
Department, MNIT Jaipur

Dr. Rameshwar J. Vishwakara, Joint Secretary, Assistant
Professor, Civil Engineering Department, MNIT Jaipur
